

Optical Manager – Private Practice in Oregon

Are you an experienced optical professional ready to take on a new adventure? Join us in Eugene, Oregon, and elevate your career as an Optical Manager at our thriving private practice!

Why Join Us?

We are transforming our optical offerings with high-end, bespoke eyewear collections tailored to provide the best to our patients. If you have a background in optical management and are eager to advance your career, this role is perfect for you.

Key Responsibilities

- **Team Building:** Lead and motivate the optical sales team to reach their full potential.
- **Sales Goals:** Set and achieve ambitious sales targets through effective team collaboration.
- **Hiring & Coaching:** Recruit, mentor, and coach your team members to excel in their roles.
- **Collaboration:** Work closely with our Ophthalmologists and Optometrists to ensure seamless patient care.
- **Growth Focus:** Develop and execute growth plans based on metrics and achievements.
- **Contact Lens Management:** Oversee a fully stocked contact lens department.
- **Multi-location Management:** Manage our 5 locations with compensated travel expenses.

What We Offer

- Comprehensive benefits package including medical, dental, 401k, and paid time off.
- Sign-on packages to welcome you aboard.
- An opportunity to work with a dynamic team in a growing practice.

Qualifications

- Previous experience in optical management or multi-location private optical management is required.
- A passion for high-end, customized eyewear and exceptional patient care.

Don't miss out on this exciting opportunity to grow your career in a supportive and innovative environment. Apply today to become part of our team in beautiful Eugene, Oregon!
