

— YOU & EYE —
VISION CARE AND OPTICAL BOUTIQUE

5656 Hood St. West Linn, OR
(503) 723-3000
youandeye.us

We are a small boutique eye care practice that generally offers a laid-back work environment, but it can, at times, get very busy. In the midst of any busy-ness the relationship with the patient and meeting their needs remain our priorities.

This role can be full or part-time depending on the successful applicant's needs. If part-time it will be required that the successful applicant be here during the times the optometrist is seeing patients.

The optician will provide an exceptional patient experience through patient-centered service, including lifestyle prescribing and selection of frames and lenses that best serve the patient's visual needs, facial structure, and fashion choices. You & Eye enables optician success by having access to high quality lenses and frames and access to up-to-date optical technology.

Job tasks:

- Optical sales
- Determine patient visual needs
- Recommend multiple pairs as appropriate (office, sun, backup pair)
- Enter orders into lab system or vision care plan system
- Quality check (frame & lenses)
- Call patients
- Insurance billing
- Entering payments
- Dispensing orders
- Inventory
- Adjustments/Repairs
- Other tasks as needed

Experience:

- Patient-centered attitude is a required
- Optical sales experience is preferred
- The ability to multi-task and work in a team is a must

Job Type: Full-time or Part-time

Pay: \$22.00 - \$25.00 per hour

Benefits:

401(k) matching

Employee discount

Paid time off
Professional development assistance
Vision insurance
